## CoolStart<sup>SM</sup>

**Make sure your AC system  
switches on every year.**

Don't wait until it's too late to find out if your AC is working. Schedule your CoolStart tune-up!

Make an appointment at your convenience, and we'll come to your home, start up your central AC and make sure it keeps you cool quietly throughout the spring and summer. Scheduling is subject to availability and weather conditions.

### **Our 10-point CoolStart tune-up will:**

- Lubricate all moving parts
- Check refrigerant
- Check belt and adjust tension
- Meter voltage and amperage
- Check filters
- Check lock-out circuits and starting contactor
- Check condensing unit wiring
- Clean and adjust thermostat
- Check condensate drain
- Adjust exposed dampers to cooling position

## CoolGuard<sup>SM</sup>

**Be cool and get up to 15% off.**

With CoolGuard, we're available to take your call 24 hours a day, 7 days a week, so you can get repairs done quickly before they become bigger problems.

There's no diagnostic fee if service is performed between 8am and 5pm, Monday through Friday, excluding federal holidays. Scheduling is subject to availability and weather conditions. (Diagnostic fees may apply if you request service at other hours or on federal holidays and weekends).

### **You'll also get:**

#### **CoolStart tune-up**

To make sure your system will run smoothly and help you keep energy bills low, we provide a 10-point tune-up each year. You can schedule this between 8am and 5pm on normal business days from May 1 to September 30.

#### **Save 15%**

If you need repair work, we provide a 15% discount off regular rates.

#### **Quality repairs**

Our technicians are experienced and fully understand how your AC system integrates with your entire "home comfort" system.
